Publications by. Dr. B. R. Shivakumar, Professor and Unit Head, Department of Medicine

**1) Refractory myasthenia graves - clinical profile comorbidities and response to RituxImab
GMS German Medical Science 2016, Vo1.14. ISSN 1612-3174**

**2) Posterior Reversible Encephalopathy Syndrome: Case Report Case Report
J Neurol Res. 2016;6(5-6):106-11**

3) Fat Embolism Syndrome: Case Report Case Report J Neurol Res. 2016;6(5-6):114-117

**4) Clinical Profile and Complications of Paracentesis in Refractory Ascites Patients with
Cirrhosis Original Article Gastroenterol Res. 2015;8(3-4)::228-23**

**5) Hypofibrinogenemla Presenting as Intracranial Hemorrhage American Journal of Medical
Case Reports August 4,2015, volume 2,Issue 1**

**6) Transfusion related acute lung injury during blood transfusion International journal of
clinical cases and investigation volume 6 issue 4 157:161, 1st July 2015**

**7) Acute phase reactants and uric acid levels in acute gouty arthritis. International Journal of
Clinical Cases and Investigation Volume 6 issue 4 162:169. 1st July 2015**

**8) Guillan-Barre syndrome: clinical profile and management GMS German Medical Science
2015, Vo1.13, ISSN 1612-3174**

**9) Comparison of combined intralesional Triamcinolone and 5.fluorouracil versus Bleomycin in
Keloids International Journal of Advances in Health Sciences (IJHS) ISSN 23457033 Vo12,
1Issue3. 201 5, pp285-289 <https://www.ijhsonline.com> Research Article**

**10) Type 2 Diabetes mellitus assosiation with sexual dysfunction in women Original Research
Article J. Evolution Med. Dent. Sci/eISSN 2278.4802. pISSN- 2278.4748/ Vo1. 5/ Issue 99/ Dec.
12, 2016 Jemds.com**

**11) Dengue shock syndrome Oxford Medical Case Reports, 2016;11,269-272 doi:
10.1093/omcr/omw074**

**12) Cardlototoxicity and respiratory failure due to Cobra bite Sch. J. App. Med. Sci., August
2015;3(5A):1830-1833**

13) A Rare Case Of Hypocalcemia in hyperthyroidism International Journal of Health & Allied Science

**14) A Case Of BOOP
Platform presentation in Karnataka API.Davangere**

**15) A Rare Clinical presentation of primary Antiphospholipid-Antibody Syndrome.
International Journal of Clinical Cases & Investigations**

**16) Amlodipine Intoxication-a different presentation of a commonly prescribed Anti-Hypertensive Medication
A case report; Journal of Evolution of Medical and Dental Sciences, vo1-2. Issue 50, page--9801-9805, dec-2013**

17) Hematological changes in Dengue fever National Journal of Basic Medical Sciences, April-June,2013, vo1-3. issue-4

**18) Morphological Spectrum of changes in coronaries of non-cardiac deaths an Autopsy Study
Global Journal of Pathology-Microbiology,2014,2,10-14**

19) Bone marrow necrosis: a case report International Journal of Scientific Study, 2015 Vo;-2[10]163-165

**20) Clinical study to evaluate the association between SNHL and Diabetes Mellitus in poorly controlled patients whose HbA1 C is >8. Original Article
Indian Journal of Otolaryngeal Head and Neck surgery (Apr-June 2016)68(2):191-195;DOI 10.1007/s12070-016-097**

Publications

PUBLICATIONS BY Dr. L. Sreenivasa Murthy, Professor and Unit Head, Department of Medicine

1) ORIGINAL ARTICLE: Clinical experience with insulin Detemir, biphasic insulin aspart and insulin aspart in people with type2 diabetes: Results from the Bangalore cohort of the A1chieve study-Indian Journal of Endocrinology and Metabolism, Volume 17 2013/Supplement 2 (Achieve).

2) An Observational Study on the Efficacy, Safety and Tolerability of Rosuvastatin in Indian patients with Dyslipidemia: The RID-3 Study:•

NAZIR I JUVALE*, L SREENIVASA MURTHY†, NITIN S GOKHALE‡, MANJULA S§, KRISHNA KUMAR. •

Indian Journal of Clinical Practice, Vol. 28, No. 2, July 2011.

3) Ventilator Associated Pneumonia - Clinical Profile, Comorbidities and Progress:•

Sreenivasa Rao Sudulagunta, L. SREENIVASA MURTHY, Shiva Kumar Bangalore Raja, Mahesh Babu Sodalagunta, Mona Sepehrar, Munawar Danish Mohammed, Sony Parethu Sunny, Rajdeepak V S. •

J Evolution Med. Dent. Sci./eISSN- 2278-4802, pISSN- 2278-4748/ Vol. 5/ Issue 94/ Nov. 24, 2016.

4) Type 2 diabetes mellitus association with sexual dysfunction in women:•

SREENIVASA MURTHY. L, Sreenivasa Rao Sudulagunta², Shiva Kumar Bangalore Raja³, Bhaktavatchalam⁴, Mahesh Babu Sodalagunta⁵, Mona Sepehrar⁶, Munawar Dhanish M⁷, Keshava Chandra Thejaswi⁸•

J. Evolution Med. Dent. Sci./eISSN- 2278-4802, pISSN- 2278-4748/ Vol. 5/ Issue 99/ Dec. 12, 2016.

5) Ischaemic Stroke - Clinical Profile and Evaluation with Electroencephalography and MRI Brain:•

SREENIVASA MURTHY L¹, Sreenivasa Rao Sudulagunta², Shiva Kumar Bangalore Raja³, Bhaktavatchalam⁴, Mahesh Babu Sodalagunta⁵, Mona Sepehrar⁶, Munawar Dhanish M⁷, Keshava Chandra Thejaswi⁸•

J. Evolution Med. Dent. Sci./eISSN- 2278-4802, pISSN- 2278-4748/ Vol. 5/ Issue 103/ Dec. 26, 2016.

6) Efficacy and safety of lixisenatide in a predominantly Asian population with type 2 diabetes insufficiently controlled with basal insulin: The Get Goal-L-C randomized trial:•

Wenyang Yang MD¹ | Kyungwan Min MD² | Zhiguang Zhou MD³ | Ling Li MD⁴ | XiangJin Xu MD⁵ | Dalong Zhu MD⁶ | A. Venkateshwar Rao DNB⁷ | LAXMINARAYANAPPA SREENIVASA

MURTHY MD8 | Nianxian Zhang MD9 | Ivy Li9 | Elisabeth Niemoeller MD10 | Shuhua Shang MD•

Diabetes Obes Metab. 2018;20:335–343. wileyonlinelibrary.com/journal/dom

7) *An Observational Study on the Efficacy, Safety and Tolerability of Rosuvastatin in Indian Patients with Dyslipidemia: The RID-3 Study:*

SREENIVASA MURTHY L, MANJULA SHAMANNA*, KRISHNA KUMAR* *Indian Journal of clinical practice, Bol 28, no 2 July 2017.*•

8) ORIGINAL ARTICLE: *Immunogenicity, Safety, and Tolerability of Live Attenuated Varicella-Zoster Virus Vaccine (ZOSTAVAX™) in Healthy Adults in India:*

L. SREENIVASAMURTHY1*, Sudhanshu Pandey2, Bharija Subhash Chandra3, Monisha Sharma2, SR Ranganathaiah4, P Vaidya5, Rajiv Naik6 .•

Journal of the Association of Physicians of India, Bol 66, Jul 2018.
